Examples of High Rye Bourbons, Bulleit cask strength bourbon, Four Roses single barrel, Basil Hayden's bourbon and Old Granddad 114.

Solera-Aged: Solera aging involves filling a series of casks at different intervals over a long period of time. As Whiskey from the oldest cask is emptied and bottled, the cask is re-filled with an equivalent amount of whiskey from the second oldest cask in the solera. This cascading effect continues until the youngest cask in the solera is filled with new whiskey. As a result, no cask is ever fully emptied.
